About the Magazine

Paintindia Magazine is recognised for its coverage of paints, coating industry news, and raw materials. It has established itself as the pioneer and only journal in the coating business, not only in India but around the Far

East. The magazine covers the latest trends, technological advancements, and market insights in the paints and coatings industry. Paintindia Magazine's in-depth analysis and exclusive interviews with industry experts have made it a go-to source of information for professionals in the coatings industry. The magazine also covers topics such as sustainability, innovation, and regulations, providing readers with a comprehensive understanding of the industry's landscape. Paintindia Magazine's commitment to excellence and impartial reporting has made it a leading publication in the paint and coatings industry.

Paint India Magazine has from the start supported the reason for the coverage business to the degree that the Indian industry looks up to the diary for the target introduction of news, free articulation of perspectives, and dispersal of data in proceeding with research in coatings and crude materials and its partnered fields. In its nonstop quest for peruser administration, Paintindia Magazine Subscription India is currently hoping to offer something to the end-client of paints by giving some more consideration to the application part of coatings.

Having caught the readership of the whole Indian coatings industry no matter what, **Paint India Magazine Subscription** is currently intending to extend its points of view and readership past the shores of India. Perceived as an unwavering companion of the coatings industry throughout the previous 65 years, it is such a bible for coating manufacturers from both the architectural and industrial segments.

The diary is additionally the spine for the *PAINTINDIA Magazine subscription* arrangement of presentations, the undisputed driving coatings article in India, held at regular intervals.

Colour Publications Pvt. Ltd. is India's oldest publisher, although magazine subscriptions offer the same service. They have been in business for nearly 65 years and publish seven periodical B2B titles for a variety of industries, including paints and coatings, plastics, polymers, packaging, textiles, nonwovens, technical textiles, chemicals, personal and home care, food, and pharmaceuticals.
