About the Magazine

The Indian Textile Journal (ITJ) Magazine Subscription Delhi India, India's oldest textile publication, is a 126 year-old monthly Magazine Subscription Delhi India. Each issue of ITJ provides insight into technologies and market developments as it happens in the textile industry in India , Asia and Europe . The ITJ, over the years, has expanded its coverage to include trade and commercial information, new products & processes, technological breakthroughs, corporate profiles and trade fair information. It is making forays into new fields like technical textiles, nonwovens, etc and provides information for the improvement of the textile industry.
