## About the Magazine

The yankee magazine of fitness advertising (AJHP) is a peer-reviewed magazine advancing the science of fitness behavior exchange and the artwork of creating a lifestyle of properly-being. Mounted in 1986, AJHP gives a discussion board for the eclectic disciplines that enhance place of job, school and community health. We try to lessen the distance between research and exercise by way of offering outstanding research and exploring its sensible applications. This journal is a member of the Committee on guide Ethics (COPE).
