## About the Magazine

Convergence is an worldwide peer-reviewed academic journal which was installation in 1995 to deal with the creative, social, political and pedagogical issues raised by using the advent of new media technology. As an international studies magazine, it provides a discussion board both for monitoring and exploring developments inside the subject and for encouraging, publishing and promoting essential modern research. Adopting an inter-disciplinary method and posted six instances a year, Convergence has evolved this vicinity into an entirely new research subject.
