## About the Magazine

Offshore World is an all-encompassing magazine for the hydrocarbon and allied industries. A quarterly magazine launched in December 2003, Offshore World disseminates authentic, critical and well-researched information on global hydrocarbon industry innovations.

The magazine offers latest and strategic information on the upstream and downstream hydrocarbon industry. The endeavour of Offshore World is to become a vehicle in making "Hydrocarbon Vision 2025" a reality in terms of technologies, markets and new directions, and to stand as a medium of reflection of the achievements and aspirations of Indian hydrocarbon industry.

The magazine extensively covers technological advances, reviews & forecasts, new products, processes & solutions, upcoming projects, market trends, R&D, events, products review, book review, industry surveys, environment management, news & views, interviews, awards, outstanding performance by individuals & organizations, case studies and practice oriented and well researched articles and features by industry experts.
