About the Magazine

The Journal of Psoriasis and Psoriatic Arthritis (JPPA) is a peer-reviewed specialty journal of the National Psoriasis Foundation for its professional members and for dermatology and rheumatology specialists and community. The purpose of the journal is to provide the latest research and practical treatment information about psoriasis, psoriatic arthritis and related comorbidities and conditions in a concise and easy-to-read format. This journal is a member of the Committee on Publication Ethics (COPE).
