About the Magazine

The Journal of Studies in International Education (JSIE) is the premiere forum for higher education leaders, administrators, educators, researchers and policy makers interested in all facets of the internationalization of higher education. Articles discuss theoretical, conceptual and practical aspects of internationalization including regional, national and institutional policies and strategies, internationalization of the curriculum, issues surrounding international students and cross-border delivery of education. This journal is a member of the Committee on Publication Ethics (COPE).
