About the Magazine

The Art of Jewellery is India's No. 1 Business Magazine of the Gem and Jewellery Industry. A one-stop destination for cutting-edge information, it is reputed for its focused content, high editorial standards, creative design, rich imagery and state-of-the-art printing.

To widen its reach and communicate with more people, AOJ Media has also launched The Art of Jewellery in regional language Hindi. The magazine has received tremendous response from the jewellers' fraternity, particularly in North, West and East India.
