About the Magazine

'Steelworld' a monthly journal is devoted to Iron and Steel Industry having a readership of around 35,000 decision makers in the industry. It provides a monthly update on global steel sector, information on new projects, steel demand-supply scenario, technological advancements, prices, production statistics etc. This would definitely be of great help to steel professionals. 'Steelworld' also provides the necessary platform for business houses to promote their products/services in the steel sector.
