About the Magazine

Packaging Technology Magazine is a bi-monthly published by Ankur Publishing Co., Thane, Mumbai. It is in existence since last 15 years and has been disseminating the new, the steady and the practical aspects of the packaging and its related industry through articles, product write-ups, news and events coverage. Now it has reached such a peak that today everybody in the packaging industry, whether Indian or global, reach out for the next issue of Packaging Technology with barely suppressed impatience.
