About the Magazine

Journal of Microelectronics and Solid State Devices (JoMSD): is a print and e-journal focused towards the rapid publication of fundamental research papers on all areas of Solid state, Electronics and Devices.

All contributions to the journal are rigorously refereed and are selected on the basis of quality and originality of the work. The journal publishes the most significant new research papers or any other original contribution in the form of reviews and reports on new concepts in all areas pertaining to its scope and research being done in the world, thus ensuring its scientific priority and significance.
