## About the Magazine

We live in a media fueled international, however media that isn't honestly appropriate for children. Mainstream newspapers and magazines don't sincerely work for youngsters, each from a language and a treatment attitude. How lots of us can simply quit a country wide day by day to a nine 12 months vintage for a browse?

Many articles in mainstream newspapers lack the context that youngsters want – it is assumed that the reader already had enough know-how of the information context. Plus, the language of newspaper articles won't be suitable for more youthful kids. Imagery, that is frequently express, in recent times, isn't always something you need your younger son/daughter to view.

But, at the equal time, children want to get a real sense of what's going on inside the international. Tons past the santized international of capabilities on technological know-how, era and literature (all excellent things, thoughts you) that most current magazines for kids revolve around.

That is exactly in which ChildFriendlyNews.Com or CFN suits in. CFN is all approximately hard information that is presented in a realistic, clean-to-read and full context package deal for youngsters inside the age organization 7-thirteen years.
