

Basic Profile | International Journal of Advances in Engineering Sciences and Applied Mathematics

Magazine Title	:	International Journal of Advances in Engineering Sciences and Applied Mathematics
Frequency	:	Quarterly
Language	:	English
Category	:	Journals on Various Topics
Subcategory	:	Engineering, Information Technology and Mathematics
Version	:	Print Version
Edition	:	India
Publishing Country	:	India

Subscription Packages for Indian Subscribers(normal)

Year(s)	No. of Issues	Print Version
One	4	₹ 6077

About the Magazine

For followers looking for the most current advances in engineering and applied mathematics, the International Journal of Advances in Engineering Sciences and Applied Mathematics is a useful resource. Explore state-of-the-art studies, novel theories, and useful applications in this esteemed publication. Magazine subscriptions are a simple way to access this publication if you want to stay up to date. Purchase a subscription today to keep up with the latest developments and discoveries in applied mathematics and engineering. This journal guarantees that you are up to date on the latest developments in these fields with an emphasis on high-quality material. Don't miss out; sign up now!
